## *Luxury development in a Modernist Mansion*

Two exclusive homes with avant-garde design. The building preserves the modernist façade with the aim of combining contemporary aesthetics with the preservation of historical and cultural elements. This approach allows to create a harmonious fusion between old and new, incorporating contemporary technologies and designs without losing the connection with the architectural heritage. The property has parking in the same building. The ground floor has 300m2 built with more than 50 m2 of outdoor spaces. It is distributed in 4 suites, one with large dressing room, a guest bathroom, large living room with access to the garden and semi-open kitchen with full laundry with bathroom that could also be enabled as a maid's room. It also has a large multipurpose space on the lower floor, with bathroom and storage room, with natural light and direct access to the parking. This first floor has 3 accesses. One, very stately keeping the original door from the street, another from the communal entrance and from the elevator. The second floor has 240 m2 built. It is distributed in 4 bedrooms, two en suite and one with large dressing room, 3 bathrooms, a guest bathroom, large living room [...]
